The Texas Real Estate Commission has adopted new Standards of Practice that take effect January 1, 2014. This class is more than an "update". We will address the 7 sections of the Standards of Practice, sections 535.227 - 535.233. These sections include General Provisions, Structural Systems, Electrical Systems, HVAC Systems, Plumbing Systems, Appliances, and Optional Systems. This class has been developed to provide inspectors a clearer

understanding of the new SoP's.
